

# WEB PAGE EDITING AND DESIGN PROGRAM — CIW OR ADOBE CERTIFICATION

ADD POWERFUL TECHNOLOGY SKILLS TO YOUR CREATIVE/MARKETING & IT TALENTS  
FOR A CHALLENGING NEW CAREER IN WEB PAGE EDITING AND DESIGN

Full Circle's Web Page Designer program introduces you to today's most popular and powerful Web Design software, animation, and graphics editing tools. Gain hands-on experience while you learn, building a variety of completed web pages throughout your training. Learn to use design software products like Dreamweaver and Flash to create interactive websites, gain photo editing experience using Adobe Fireworks, and tie it all together with XHTML markup language for the web! Opportunities are available to earn your choice of nationally recognized CIW (Certified Internet Web Professional) or Adobe certifications in Dreamweaver and Flash.

## EARN A NATIONALLY RECOGNIZED CERTIFICATION — CHOICES INCLUDE ADOBE DREAMWEAVER, FLASH OR CIW CERTIFICATIONS

At Full Circle we recognize and respect the individual. Our program specialists meet with you individually to determine your career goals, and create a training program that is targeted to your specific needs, prior experience and personal talents. Each program can be customized to ensure that you begin at the level appropriate to your existing skills, and finish right where you need to be to qualify for a broad variety of web editing and design opportunities. Full Circle prepares students to take CIW and/or Adobe certifications in Dreamweaver and Flash. While passing exams is not a graduation requirement, certification is an excellent way to prove your skills to potential employers, increase your marketability, and add value to your existing education.

\*Program content is subject to change without notice. Certification exams may or may not be included in program cost, depending on funding source.
