

Are you a Veteran or Transitioning Servicemember ready for a rewarding new career in IT?

READY-4-SUCCESS IN IT™ BOOT CAMP

FREE TECHNOLOGY TRAINING TO QUALIFYING VETERANS AND TRANSITIONING SERVICEMEMBERS! BECOME A PART OF THE VETERANS ADMINISTRATION'S ACCELERATED LEARNING PROGRAM (ALP)

IT careers in technical support are quick entry points into IT jobs that lay the foundation for a future career in IT roles including configuration, development and system engineering. The Ready-4-Success in IT™ Boot Camp develops skills for **in-demand careers in technical support, desktop support, Microsoft Windows technologies, and help desk support**. You can choose between classroom, online live, or self-paced learning methods to prepare for two valuable national certification examinations. Additionally, you will be provided online access to real practice equipment, hardware, and software labs (no simulations) that will develop your practical IT skills.

Upon program completion, you will get expert job assistance to find satisfying well-compensated positions in the growing technology industry.

What Job Roles will you be prepared for once you complete the Ready-4-Success in IT™ ALP boot camp?

This accelerated learning boot camp increases your credibility in IT and prepares you for careers in:

- Computer User Support Specialist
