## OPTIONAL HEADLINE HERE

### Professional Profile

---

Talented and energetic program director with key skillsets in mentorship, community program development and implementation of initiatives targeting youth. Key experiences include designing new programs to meet specific community needs, recruiting and training program volunteers, data collection and analysis of program outcomes. Significant ability to design highly targeted programs, manage complex timelines and create highly effective teams. Thrives in environments where there are opportunities to apply creative thinking and problem-solving talents to challenges specific to the community.

### Key Strengths & Accomplishments

---

- Grew youth group attendance through the instruction of student leaders, active recruitment, increasing parental and other stakeholder support, and promotion of programs through presentations and public speaking.
- Managed an 8-week summer camp for students aged 8 – 16. Developed programming including weekly field trips, purchased materials, provided two meals per day to students,
- Trained and mentored a staff of about 50 paid and volunteer workers, maintaining engagement over a 5+ year average.
- Managed complex scheduling of activities, off-site events, and closing ceremonies with over 200 participants,
- Authentic, with an ability to communicate with, educate and persuade persons of all ages; youth, young adults, and parents.
- Significant leadership experience, including planning, delegation and logistical management of large scale events.
- Highly organized, uses research and preparation to ensure that project objectives are met and exceeded.
- Self-motivated, driven to achieve positive outcomes, consistently maintains a winning attitude and a positive outlook.
